

Dear Family,

I recieved my wash and Grandma's letter today (Monday). I'm glad to hear that the dance was a success & the treasuring of Wanaka is \$4.00 richer.

I was concerned to hear that Glad is not located yet and wondered about the results on his insurance examination.

I have not written of late because I've been so busy with my research paper in English. It has to be in Wednesday of this week. What a relief it will be to get rid of it.

I'm going to the revenue office here in Lansing Saturday to see about my income tax. If I am unable to

file it here; I will fill out the forms and send them home to you.

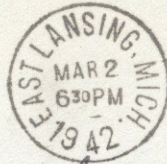

I am not spending as much money this term as last and will probably have enough money to take care of it without ~~too~~^{too} much trouble.

I will say good bye now as I have a chemistry test in a couple of hours and I have to study a little.

As Ever

Bumps.
