

Sunday Afternoon.

Dear Family.

I have had a jolly old time this week end and I'm pretty well tired out. I didn't intend to do anything much ~~the whole weekend~~; but Harry Blair, the fellow I went to Detroit with, had his girl friend and sister down for the weekend. Naturally, we went to the Trosk Tropic at the auditorium. It was quite an affair; over 500 couples were there. Richard Humber was playing. Afterwards we went out to a "joint" called the Blue Head Inn where we were to meet two other couples. After watching the corny floor show and dancing a little while we went into "sawing" to a "Chicken in the rough" place. Boy was I stuffed

after that big dish of shoe string potatoes
and Chicken. About that time we're ready
to go home; I got in about 4:00 o'clock.
To top it off I had a German test first
thing in the morning.

I just about recuperated Sat. Ev.;
About 9:00 someone called me on the
Phone when I answered it was the kids
again and they decided to go out to
some amusement park. So out we
went. Rolly Coaster, Merry go round,
Caterpillar, all got a whirl. ~~I~~ I got
home at two this morning and had to
get up at 9:00 to work. Oh Well. 'you're
only young once.

Today is Mother's day here, and we
had a big Chicken a' la King dinner
for our maternal guests. Being back
in the kitchen I got seconds on the
ice cream etc. No wonder Mason-Abbott

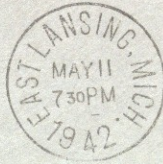

can only afford 29¢ an hour these fellows
make 50¢ an hour when you figure the
food they took.

By the way I'm sending those shoes
along at the same time as this letter
so don't get worried they will be
there in time. I would appreciate
to get them back as soon as possible
as I will need them for the Spring
Term party the 22th.

Next Friday our precinct is having
its "Beer Bust" and Picnic. I suppose I
will go along; but I hate beer. They
need some one to drive who is sober
anyhow.

Well between work and fun I'm pretty
busy but I always enjoys letters. I
got Dad's yesterday and would like to
hear from B + Jean and Grandma soon.
